Q. You understand that you are arrested for the murder of Eric DeLeagal, AKA KABOOBIE.					
I want you to go on in your own words and tell me what you know concerning this incident?					
A. Gregory Holden had been talking about robbing KaBoobie for several days. On the day of the incident I was over Gregory Holdens house and Douglas Houghten, Bruce Murray Gtegrory Holden and Larry Thorpe were there too. Holden was planning this robbery. Larry Thorpe was like overseeing the whole thing. Kaboobie had worked for Elliot Burton dealing drugs. He was doing marijuana, cocaine, cough syrup and things like guns that. There was this thing between Thorpe and Holden and Burton over some drugs and they wanted to get even, so they decided on robbing Kaboobie. We all decided that Douglas and Holden would be lookouts while me and Murray went in. contd.

A. We all walked over to Montrose St. where Kaboobie lived. Gregory Holden and Douglas Houghten waited outside somewhere. I don't know exactly where they waited, but they waited. Larry Thorpe didn't go with us, I don't know where he went. Me and Bruce Murray went to the door, I knocked on the door and Kaboobie answered. Bruce asked if he had any reefer, Kaboobie asked what he wanted, Bruce said ~~XXXXXXXXXX~~ he was looking for some weight, an ounce. Kaboobie then said to come in. Nobody else was inside. Kaboobie went down into the cellar and came back with the marijuana. When he came back he wanted to see the money. Bruce was stalling around when Kaboobie asked for the money and Kaboobie noticed the stall and right after that he reached for his gun. He looked at me and I looked at him and went to reach for his gun and I tried to grab it. He had a 32 revolver in his front waistband under his shirt. It was a 32 short, nickel plated with plastic rose colored red handles. We began to tussle for it at the same time. Me gun, I had a sawed off 20ga. bolt action shotgun in a paper bag, fell to the carpet during the struggle. I had grabbed Kaboobie and had hold of him and his gun and was trying to pick my gun up off the floor and as I got hold of it Kaboobie got a little loose and grabbed the shotgun and his fingers was on the trigger and as we scuffled the shotgun went off. When it went off it hit Kaboobie in the chest area. Kaboobie went down and I lost my grip on the gun and I saw Kaboobie going for his gun while he was on the floor and I just tried to get away from him and then I heard Bruce Murray shooting. By this time Kaboobie had gotten his gun out and was shooting and ~~KABOOBIE WAS SHOOTING~~ Bruce Murray was shooting back at Kaboobie. I ran out of the house, to [REDACTED] thats Bruce Murrays house.

Q. What happened to the shotgun?

A. I don't know, I never saw it any more.
